

# Allen Trial 2003

## New Start Location

The White Hart Inn have decided at the last minute that they are unable to accommodate us for this years Allen Trial. We have therefore made arrangements for the trial to start and finish at the Cross House Inn in Doynton MR 172/719741.

Thanks to Andre & Liz Large for coming to the rescue at very short notice. They will be providing the usual coffee and rolls at the start and hot meals and bar at the finish. Please support them. The menu for meals will be available at the start for you to select from.

Trailer parking will still be at Oldfield Farm . Please accept our apologies that this is a little further from the start than we would have liked.
